and others. My work, of course, involves considerable travel to overseas locations.

Activities over the years have also fostered excellent relationships with the business communities in many countries and have given me an awareness of the differences in dealing with foreign nationals and an ability to do so successfully.

STAT At  I feel in possession of maturity and negotiating skills, which might be of service to your department on a part-time, or temporary assignment, basis.

STAT If you feel I can make a contribution to your efforts, I would be happy to discuss the matter further. I can be reached in New York by telephone at  or of course by mail.
